

ESCUELA TECNICO MAYA

Field Report #41 August 29 - September 11, 2011

- With the January 2012 opening approaching fast, current TM parents and students visited to see the progress of their new school and say “Gracias” to the hardworking crew! (1)
- Work continues to focus on the finish details, including a stone facade over the tire steps to the latrine (2) and glass bottle soap stands at the handwashing station. (3)
- With the majority of the base plaster work done, volunteers and staff are trying their hand at sculpting earthen plaster to enhance the aesthetic and educational value of the structures. (4)
